**We are delighted that 91% of responses are entirely positive and where there are concerns we hope you can come and talk to us as we want to address any issues. We are looking to organise a 'Behaviour for Learning' meeting for parents and we would like to see this well supported. The governors Curriculum Committee are keen to find out ways to encourage parents to become involved in their children's education and will be asking for your suggestions. Teachers have put a lot of time into parent Curriculum meetings this year however turn out at these meetings has been low.**

**The school is committed to providing excellent provision for the education, care and welfare of our children. We would like to thank you for your continued support.**
