Once again, very many thanks to those parents who kindly responded to the questionnaire. We had responses from 31 of the 62 school families. An overwhelming majority of the responses were highly positive and we feel this is an accurate reflection of the hard work and dedication of all those involved in educating our children. The results indicate that the children are happy, well-educated and cared for at school with 94% of the overall responses being entirely positive. We are particularly delighted that 100% of respondents would recommend Shellingford School to another family.

At Shellingford, we strive to be open, transparent and are always seeking to develop the school further. Whilst the questionnaire results are extremely positive, we are keen to work with

parents who have any questions or concerns. The questionnaire is rightly anonymous so we do urge any parents who disagreed with, or were unsure how to answer any of the questions, to make an appointment to meet with the Headteacher.
