

How it Works!

Simply swap a pair of used wellies (in clean good wearable condition) for a another – a list of current stock is available.

Please only donate Wellies in **clean good wearable condition**.

You can also donate or purchase the wellies if you have none to exchange, price according to condition (nearly new £4, used £3).

Wellies can be donated, exchanged or purchased all year round and all proceeds from the Welly Exchange go towards FoSS fundraising.
