Classes 1-4

Thinking about our school...

What do you like best about our school? 😊

Children are kind at busy time. Friends. Reading books. We do lots of things. Playing. Busy time. Counting. PE. Puppets. Teachers. Everything!

The toys we have in class- the picnic set! We learn different things. We learn to stand up to things we are scared of. Playtimes because we can play with other classes. Maths- I like counting and it challenges me. I like learning numbers- adding and taking away. English and Maths because we get to write and learn new things. Everyone and everything- it is all very nice. I love my time with Mrs Davis. We see our friends every day.

Friendly and caring. Teachers and adults look after us. The grounds. Creative and fun. Small and like a big family. Forest School. The clubs are fun and exciting. Fun trips and exciting topics.

We have good equipment. Forest School / going to the woods. Workshops / experiences and school trips (Yenworthy). Nice big place to play. Different types of lessons – variety PE. The location. How much we learn in one term. Don't always stay inside. Donations (for charities). After-School Clubs. Laptops

What could we change to improve our school? 😊

Nothing. More toys. Fairy toys. More games. More books. No kicking and pushing. To learn more things that we don't know.

We could make sure that we are tidier when we play. Help Mrs Elliott, and the class, more at tidy up time. Be EVEN more respectful for each other. Use food bins for our snacks and not rubbish bins. Make sure we help people who fall over.

More soft play. Zip wire / slide / swings. More time learning outside. More time for lunch!

More sports and tournaments. More playground equipment. Goal posts. Music. More DT. Some bikes / scooters. Anti-Bullying Ambassadors.
