

Pupil Questionnaire: Classes 1 – 4 - March 2025

Shellingford CE (A) Primary School

"Inspiring hearts and minds"

We would like to know what you think about our school and how we could make it even better.

Thinking about our school . . .

What do you like best about our school? 😊

Going on the bikes, Learning about worship, Lunchtime – pudding, I love the food! Playing with my friends.

I enjoy learning new things, I like English and making poems, I enjoy writing in English, I really like doing the Football Club, I really like Art because we get to focus on one thing, I like playing with friends, I like joining in other children's games, I like playing, I like Phonics and learning joined up letters.

PE lessons, FoSS events, Forest School, Refection Time, Science lessons – experiments, Collective Worship, Going to the Church, Whole School Playtimes, School Field/Woods, Maths lessons, Computers/iPads, Kind and caring Teachers and TAs.

Fun PE, Lots of interesting school trips, Teachers/TAs are nice people, Yenworthy, Science experiments, School productions, Lovely grounds and woods, Football field, Forest school, Places to go and be peaceful, We get to relate our learning across subject areas (e.g., we did Mayan numbers in Maths), Writing creative stories.

What could we change to improve our school? 😊

I don't like people in my class being mean and unkind hands, I want to see children being nice to others, Nothing!

I think we should have buses that have books in that you can go in and read, Adults and children do more acting, We should do Easter plays instead of just Nativity, Do jobs on your birthday if you want to, Have benches in the hall for Year 6s, Bring back getting points for lining up well, More learning time and less play time.

More in-school workshops especially Science, Library monitors to keep Library tidy, Violins all the way through KS2, New books for the library, Forest School every week, More sponsored activities, especially walks, Better computers and headphones as they are broken, More Active Leaders at Lunchtime, More sporting competitions.

We would like a Forest School after-school club, The booking systems for ASC – some children miss out if their parents are at work when the booking system 'goes live', We would like a designated Class 4 lunch table or to seat KS1 on one table and KS2 on the other, Supervised time in the pond area, More lessons in the outdoor classroom, More time outside if we finish our work on lovely days.
